

PATENT

In accordance with 37 C.F.R. § 1.48, this is an amendment and petition to correct the incorrect original naming of inventors in this application.

The present application discloses and claims products that include a heat reflective structural article. One of the components of the article is the invention of Younger Ahluwalia, i.e., the filler/binder coated substrate which is described in detail on pages 6 et seq. of the present application, which is the subject of U.S. Patent No. 5,965,257 ("Ahluwalia U.S. Patent"), which issued in Mr. Ahluwalia's name on October 12, 1999 and which is also owned by Elk Corporation of Dallas ("Elk"), the assignee of the present application. As noted in Mr. Ahluwalia's STATEMENT OF ADDITIONAL INVENTOR, which is provided herewith, the omission of his name from the list of inventors for this application when filed was due to error which occurred without deceptive intention.

REQUEST TO CORRECT INVENTORSHIP

Pursuant to 37 C.F.R. § 1.48(a), applicants hereby request that the inventorship in this application be corrected to include Younger Ahluwalia as a named inventor for the reasons noted above. In accordance with Rule 1.48(a), applicants herewith provide Mr. Ahluwalia's aforementioned STATEMENT, Mr. Ahluwalia's executed Declaration as prescribed by 37 C.F.R. § 1.63, the processing fee set forth in 37 C.F.R. § 1.17(i), and the written CONSENT OF ASSIGNEE. Applicants are also submitting to the Patent and Trademark Office today Mr. Ahluwalia's assignment of his rights to the invention and application herein to Elk.

PATENT

A check in payment of the Processing Fee set forth in 37 C.F.R. § 1.17(i) of \$ 130.00 as required by 37 C.F.R. § 1.48 is enclosed. If any additional fee is due, or if an overpayment made, in connection with the filing of this paper, please charge the fee, or credit any overpayment, to our Deposit Account No. 02-4377.
